

MARE OWNER AGREEMENT

For the MPHC Breeders Futurity Stallion Service

I, _____ have read and understand the rules governing the **Missouri Paint Horse Club (MPHC)** Breeders Futurity Stallion Service Sale. Namely, that I must be a member of the **MPHC** at the time the service is purchased and I understand that other than purchasing the donated stallion service through the **MPHC**, the **MPHC** is in no way responsible for my mare getting in foal. I am not entitled to any refunds and all live foal and other guarantees are the responsibility of the stallion owner as per my contract with him/her. I understand that should my mare not conceive in the current year, there is no guarantee that the foal resulting from a rebreed will be eligible for the **MPHC** Breeders Futurity classes. I have contacted the stallion owner and understand all fees and charges payable to the stallion owner for related services.
