

MPHC
PRESIDENT'S LETTER
June 2010

Hello Paint Horse Friends!

The MPHC Memorial Weekend Show was a huge blowout! Can you believe there were so many entries they had to put up portable stalls? And why not! Great competition, great prizes and unbelievable BBQ. Each exhibitor received tokens of the club's appreciation for their hard work, including gold dollar coins, MPHC tee shirts and MPHC tumblers.

The support for our youth club just keeps growing. Attendance is booming at our Friday night meetings thanks to our outstanding youth members and their AWESOME parents. Thanks to everyone who purchased pattern books (extra thanks to Linda for putting them together). Thanks to everyone who brought and bought at our bake sale (extra thanks to Susan and Charlotte). Many thanks to all who supported our new Community Service Project and brought canned goods to our food drive. Please don't forget we will be collecting cans and coats during the Labor Day Show at Sedalia.

We are making the final preparations to represent Missouri at the 2010 Youth World Show and Convention. We have several members competing with their horses, a horse judging team, a knowledge relay team and a youth team tournament team. At the youth convention we have Cheyenne Patton from Kansas running for President Elect, Madison Malsch from Colorado running for Secretary and myself, Colt Cumpton from Missouri running for Zone 5 Representative on the Executive Committee for 2010-2011. Look for the exciting World Show results next month! Good luck everyone!
Until next time.....
