MjPHC June 2011

Hi Paint Horse Friends!

I was very fortunate to be able to attend the American Paint Horse Association's annual workshop for 2011 in Grapevine, Texas. The youth committee met on Thursday afternoon on 6/2/11.

We discussed rule changes including the Missouri rule proposal for the walk-trot age to be changed to 5-11. Through discussions we were able to amend the proposal to ages 5-10 and it passed through the committee and now will go to be voted on in October at convention. Youth EC members; Garrett Skinner, Kate Peterson, Kaitlyn McCulley, and I presented a Power Point Presentation to

the APHA Executive Committee and Directors. We went through an overview of the new AjPHA committees and what we've been working on and what we want to accomplish with the APHA's help this year. I feel workshop was very productive, educational, and very worthwhile to attend.

Now, news on the 2011 Youth World Show and events! Along with many fine horses and exhibitors, Missouri will be well represented with a hippology team, YTT team, judging participants, and 3 of our members running for AjPHA Executive Committee. It will be very exciting to see the results for club of the year and member of the year. I would like to wish all participates in the world show activities good luck and safe travels.

I would like to take this opportunity to congratulate Paige Hoffman for AjPHA Member Spotlight for May. I would also like to congratulate my little brother Clint Cumpton for being on the Paint Horse Journal's Take 5 page for the month of May. Clint also placed first in the 9 and under division of the AjPHA's Great Paint Brush Off art contest. We are so proud! Way to Go Missouri!

Your President and Zone 5 Representative,
Colt Cumpton

From Your Treasurer

Renee Sanford

Congratulations to Paige Hoffmann for being the AJPMA May membership spot light. I would also like to congratulate Clint Cumpton for first place in the 9 and under AJPMA Great Paint Brush Off art contest. Your picture looked amazing, keep up the

good work. If you are going to be a senior this coming year you need to sign up for the scholarship opportunity ASAP. You can get the information by going to Missouri Paint Horse Club website, go to the tab that says youth club, then click on scholarship to get the information.

So far at our Missouri Paint Horse Club shows we have had a great turnout. The show over April thirtieth and May first had a nice large turnout and the lead line treasure chest was debuted. The kids seem to really enjoy the freedom of picking their own reward. The Missouri Junior Paint Horse Club put on a game time of waffle ball thirty minutes before the meeting and it was attended well. The youth meeting had a very high attendance and we gained several new members. The show over Memorial Day weekend also had a very high attendance; however, we did not have a youth activity beforehand. The show had a good turnout with many full point classes. We have several exciting youth activities lined up for our summer shows and hope to see everyone back again.
