October 2011

MPHC closed its 2011 show season with a big bang. What a great turnout we had for our last show of the season. Thanks to the Missouri Junior Paint Horse Club who managed the show and all of the other volunteers who helped. MPHC wants to thank all of its members who continue to support the Club and make it one of the most successful clubs in the APHA. Most of all, thanks to the continued efforts of the Board of Directors and the Show Committee who strive each year to make showing your beautiful paint horses in the Show Me State an experience that you will remember and want to return.

Be sure and check out the latest photos from the October show on the website. The scrolling pictures feature all of our walk-trotters. Thank you to Clea Bobbitt for all of the wonderful memories captured in these great photos.

CHANGES AT BOONE COUNTY FAIRGROUNDS

There were many positive comments about Boone County Fairgrounds at our October show. The grounds were mowed and the show and practice pens were in great shape. It appears the new management team, Tag Events, is addressing issues of concern. It was nice seeing a familiar face: CW Adams.
