

NEC'S TOP TEN NEED-TO-KNOWS

- **ARENAS.** All arenas, by standard arrangement, are closed nightly at 8:30p or following the conclusion of competition, whichever is the later. These arenas will open again at 6:00a or (2) hours prior to the first competition each event day. Any alterations to this schedule will be published by show management.
- **LUNGING.** Lunging is permitted in designated areas only. Lunging is prohibited on GGT Fiber and in competition arenas.
- **EARLY ARRIVALS.** Early arriving exhibitors must notify the facility of their intention to move-in prior to the event's standard term. Early arrival fees will apply for each stall occupied by human, animal, tack, equipment, feed/hay or other property. Early arrival fees do not include access/use of NEC arenas but allows use of stalls, wash racks and other barn-based amenities.
- **STALLS.** NEC does not permit the use of nails, staple-gun staples, screws, hooks or other devices to be driven into any portion of stall walls or building walls. When erecting or installing equipment, Exhibitors must use temporary materials, such as zip-ties, Velcro, masking tape, etc., that do not cause permanent damage to NEC property.
- **BEDDING.** All stall bedding must be provided by NEC. Exhibitors using outside bedding will be responsible for a \$100 fee for violation. The NEC Services Office closes at 5:00p daily. Bedding ordered after 3:00p may be delivered the following day. * A credit card may be required to secure delivery of advance bedding orders.
- **HORSES.** Each horse must have an assigned stall. No tie-outs are permitted. Please do not tether horses to stall doors, arena railings or other fencing/property that can be damaged by spooked animals.
- **DOGS.** Dogs on leashes are welcome at NEC. Please be sure leashed dogs are connected to a responsible person at all times. For everyone's safety, loose dogs cannot be allowed in public areas, including the arenas.
- **RV PAD ACCESS.** R.V. pads must be reserved ahead of arrival at NEC. Pad locations are assigned and unlocked only when payment has been secured by a credit card. Do NOT hook up to an R.V. Pad that is not reserved in your name. Late arriving R.V.s/LQ Trailers may not be able to hook-up to electric and water when no reservation or secured form of payment is made in advance. The NEC Services office closes at 5:00p daily.
- **PARKING.** Park in designated parking only. Do not park trailers on RV Pads unless hooking up to a electric service. Do not park any vehicles in fire lanes, in front of manure pits or in front of barn doors. Do not block driveways. Citations may be issued by police and vehicles towed at owner's expense.
- **FIRE CODES.** NEC is a non-smoking facility by County/City Ordinance. For fire safety, NEC also prohibits in its barns, stalls and tents the following: 2-prong appliances, 2-prong extension cords, light duty indoor extension cords, 3-way adaptors (unless made for outdoors), cooking of any kind, space heaters, coffee pots, hot-pots/plates, etc. Fans connected by 3-prong heavy-duty outdoor extension cords are 3-prong outdoor adapters are okay.
